Finn

Breed: Great Pyrenees
Birthday: 04/10/18 Weight: 95lbs

Finn was born on a sheep farm in Campbellsburg, KY. He was one of the smallest in the litter, but you would never know it now. He is a very big boy who can go through a 40lb bag of food in about 4 weeks! Finn loves talking to whoever walks by our yard every day. His favorite place is under our work desk in the kitchen. He loves to play with furry squeaky toys, and he especially enjoys a good hard Nylabone to chew on. Finn loves being a therapy dog!

Leo

Breed: Goldendoodle
Birth date: 7/17/17
Weight: 70lbs

Leo loves being a Therapy Dog! Meeting new people is his super-power, and he tries his best to make everyone smile. He loves tummy rubs and treats - especially a peanut butter Kong! He loves playing with other dogs, and sometimes gets the zoomies when he's really excited. He likes to go on car rides and shop at dog-friendly stores. He is a great listener.

Toby

Breed: Beagle
Birthday: 10/25/15 Weight: 35lbs

I follow my nose, especially when food is involved. I love chasing rabbits, squirrels and birds; I am a true hound! Being petted is my favorite thing, and I'm a love bug who likes to snuggle. I'm a busy boy scattering my toys around. I was named Toby after a famous country music star - I'm a country dog! I'm afraid of thunderstorms and will hide whenever I hear them coming!

Penny

Breed: Norwich Terrier
Birthday: 12/10/07 Weight: 13lbs

Penny started her life as a show dog and has several titles, but she doesn't brag about that. She is a lot of love in a small package. She has a special talent for knowing when you need her to say hello. Though she thinks she is too sophisticated to play with toys or fetch, she is a very good listener and loves to snuggle right next to you. Penny never met food she didn't like, but she especially loves fruit like bananas and melon.
